

Features

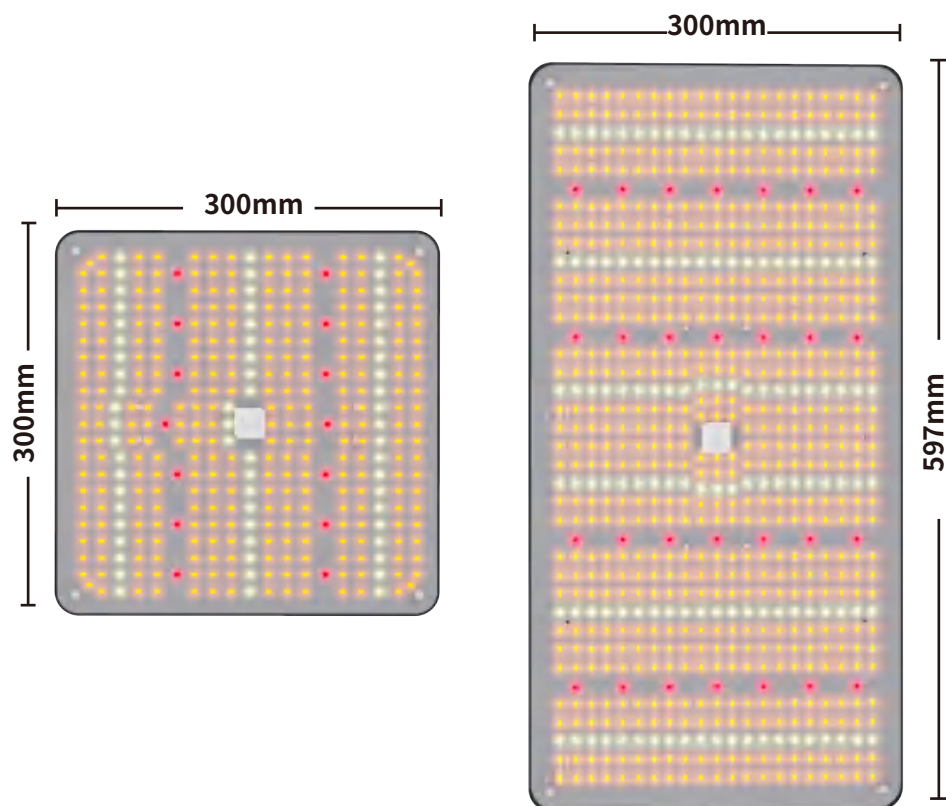

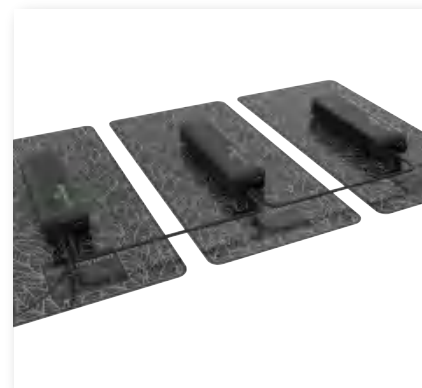

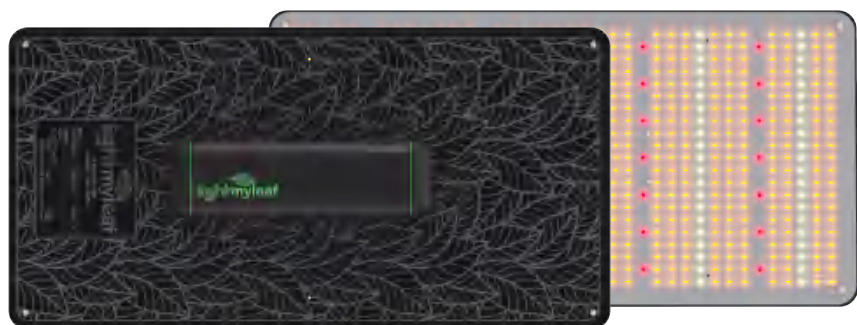

- High-efficiency full spectrum LED grow light
- Added deep red, and IR
- Save 50% on electricity costs when compared to HPS
- Waterproof IP65, for indoor growing
- Dimmable driver, with 20% ~ 100% easy dimming knob to turn on/off the lights
- Long lifespan up to L70>54,000 hours according to the calculation of the LEDs LM80 testing report
- Two adjustable hanging kits are included

Applications

- Indoor growing house

Specifications

Product Code	TBGL-120W	TBGL-240W
Power	120W	240W
Efficiency PPE	2.6umol/J	2.6umol/J
PPF Output	312umol/s	624umol/s
Power Input	100-240 VAC, 277VAC, 50-60Hz	100-240 VAC, 277VAC, 50-60Hz
Driver	Lightmyleaf	Lightmyleaf
Color	White + Red	White + Red
Dimming	0% 20% 40% 60% 80% 100%	
LED Brand	LED Star 2835 / 3030 / 3535	
Beam Angle	120°	
Operation Temp	-20°C~+40°C	
Storage Temp	-20°C~+60°C	
Life Span	Ta 40°C L70>54000 hours	
IP Class	IP65	
Certificate	CE, RoHS, ETL	
Lamp Body Color	Black aluminium	
Product Size (mm)	300*300	300*597
Packing Size (mm)	320*310*80	630*310*80
Quantity / Carton	1PCS	1PCS
Gross Weight (kg) ±0.3	3.0	3.8
Installation Mode	Suspension mount
